

## **C.R. ENGLAND LAUNCHES NEW WEB SITE**

*July 24, 2006*

**SALT LAKE CITY, UT** — C.R. England, Inc., a nationwide leader in refrigerated and dry truckload services, today launched its new website.

The purpose of the launch is to combine both the old .com and .net site into one more user friendly site. The web page includes new updated pictures of England equipment showing the new drive life logos on all England equipment.

The site has improved navigation and includes two videos: Driving Career and Life on the Road. The site also includes more detailed information on what to expect and what you need before arriving at our CDL Driving Schools.

The new web page includes easy click on tabs for customers, existing C. R. England drivers and new applicants to easily navigate to find the information they need. Please email us if you have any questions or comments on our new site.

### **ABOUT C.R. ENGLAND**

C.R. England is a family-owned refrigerated transportation business with revenues in 2004 that exceeded \$500 million. The company's more than 4,350 courteous employees, drivers and owner-operators take pride in providing the highest quality service, safety and on-time delivery with more than 2,600 trucks and 4,100 trailers. The company has become an industry leader in providing temperature-controlled truckload, brokerage, intermodal and container service. Headquartered in Salt Lake City, UT, C.R. England operates in the 48 contiguous states, Canada and Mexico and maintains terminals in California, Colorado, Texas, New Jersey and South Carolina. The company also operates six driving schools across the country. [Find out more information about C.R. England.](#)
