In the classroom learning about:
- Safety procedures
- Mechanical operations
- Laws & rules of the road
- Log requirements & more!

In the trucks you’ll learn how to:
- Properly turn & back up
- Drive in city & highway traffic
- Inspect your equipment
- Test your brakes & more!

**PHYSICAL & MEDICAL**

The D.O.T. requires that each driver meet certain qualifications & pass a physical exam (Code of Federal Regulations, title 49, sec. 391). We are fortunate to have medical facilities at each of our schools to accommodate these tests. Our goal is to help you stay healthy!

**D.O.T. PHYSICAL**

- Vision – Must be corrected to at least 20/40 or better in both eyes
- Drug/alcohol screening
- Respiratory, cardiac, medical history & medications screening
- Hearing test with or without hearing aid
- Blood pressure must be 140/90 or better

**AGILITY**

A basic physical agility test is given to make sure you can:
- Walk under a trailer
- Climb into & out of a trailer with 3 points of contact, no jumping
- Lift a 35 lbs. box from the ground up & over your head 3 times

**Certain medical conditions require additional screenings.**

If any of the following apply, please contact Lakeside Medical Clinic 877-341-2591 for information about D.O.T. medical requirements
- Diabetes/High Glucose
- Psychotropic Medications
- Unresolved Injuries
- Prescription Narcotic Medications

Travel Inn:
6101 Melton Rd
Portage, IN 46368
219-254-2934

If you have chosen to arrange your own travel, or will be commuting daily, it is important you arrive 30 minutes prior to class start time daily.
The average driver in the industry makes $40,260 a year according to government statistics. At C.R. England we take pride in putting our drivers first by providing great career options. Our average pay for a driver with 1 or more years’ experience is $52,832 a year. That’s over $12,000 more than the reported industry average.

These pay numbers are based on full-time drivers between October 2015 and September 2016 with at least 1-year experience at C.R. England. The average pay as a Lead is $673 per week, another great opportunity to accelerate your pay and allow you to become the highest paid driver type in our network, Trainer. The average pay in Phase 1 Training is $505 per week. In Phase 2 Training the average pay is $578 per week. A great pay increase with even greater pay potential as soon as you finish Training.

Once you complete Phase 2 Training your hard work really pays off. If in good safety standing you will have the option to become a Phase 2 Lead, where you will receive a truck and become a Lead to a Phase 2 Second Seat. You will also have an opportunity to explore Dedicated, Regional and solo positions to name a few. Positions are dependent on availability and qualifications.

CAREER:
Here at C.R. England you can make a great living. This past year, our average driver with 1 or more years’ experience made $1,016 a week for $52,832 per year. The top 10% averaged $1,490 a week which is $77,480 a year. Our average trainer made $1,383 a week for $71,916 per year. The top 10% averaged $1,763 or more a week for $91,676 a year. Once you obtain your CDL you can begin earning Trainer pay in as little as 6 months of driving for us!

The average driver in the industry makes $40,260 a year according to government statistics. At C.R. England we take pride in putting our drivers first by providing great career opportunities. Our average pay for a driver with 1 or more years’ experience is $52,832 a year. That’s over $12,000 more than the reported industry average.

PHASE 1 & 2 TRAINING

Phase 1 Training
You will be paid $10.00/hour for driving hours and your state’s minimum wage for on-duty not-driving work time. Phase 1 Training lasts approximately 1 month.

Phase 2 Training
Phase 2 Training lasts approximately 11/2 months and your pay in Phase 2 Training is $.28 per mile split. This means as a Phase 2 Second Seat, you will be paid $0.28 split between you and your teammate for all paid miles the truck runs even when you’re not driving! The length of time in Phase 2 may be dependent on your progress and job availability.

The average time to complete both Phase 1 and 2 Training is about 2 1/2 months, which is dependent on your progress and job availability.

The average pay in Phase 1 Training is $505 per week. In Phase 2 Training the average pay is $578 per week. A great pay increase with even greater pay potential as soon as you finish Training.

Once you complete Phase 2 Training your hard work really pays off.
If in good safety standing you will have the option to become a Phase 2 Lead, where you will receive a truck and become a Lead to a Phase 2 Second Seat.

Phase 2 Lead
You will receive a pay increase and make $.28 per mile split plus an additional $.02 per mile for being a Lead. The average pay as a Lead is $673 per week, another great increase!

Advanced Lead
Once you reach your 4th month if in good safety standing you could apply for the Advanced Lead position in which you will make $.28 per mile split plus an additional $.04 per mile as an Advanced Lead. The average pay for an Advanced Lead is $753 per week.

Once you reach your 5th month with the company and complete all of the safety and training requirements you will be eligible to becoming an Advanced Lead.

Advanced Leads receive a pay increase which is $.28 per mile split plus an additional $.04 per mile. This position is a great opportunity to accelerate your pay potential and allows you to become the highest paid driver type in our network, Trainer much quicker. Once you hit 6-months you will have the opportunity to immediately become a Trainer.

You will also have an opportunity to explore Dedicated, Regional and solo positions to name a few. Positions are dependent on availability and qualifications.
